

Commending Those Who Fought the 2017 Southern California Wild Fires

WHEREAS the courageous efforts of the firefighters from many jurisdictions, convict firefighters, law enforcement, National Guard units, nurses, counselors, doctors and operating engineers who saved many lives and properties against great odds; and

WHEREAS these brave men and women worked tirelessly for weeks in Los Angeles, Riverside, San Bernardino, Santa Barbara and Ventura Counties, even though many of them suffered injuries and the loss of their own homes;

THEREFORE, BE IT RESOLVED that the Los Angeles County Democratic Party hails the heroic efforts of our first responders and calls on every Californian to thank them for all they give for our state; and

BE IT FURTHER RESOLVED that the Los Angeles County will support policies and practices that improve the safety of all Californians, and that our first responders are provided the best training and the most current equipment and protective gear available.
