

Resolution in Support of Maxine Waters

WHEREAS, Member of Congress Maxine Waters (D-CA 43rd District) has asked each of us to make our voices heard by the Trump Administration by standing against the illegal and immoral Trump policy of forcibly separating children from their parents; and

WHEREAS, peaceful protests and the rights of people to make their voices heard by their elected officials are clearly protected by the 1st Amendment of the United States Constitution, protesting illegal and immoral government actions are among the most American actions that anyone can undertake;

THEREFORE, the Los Angeles County Democratic Party expresses its strongest support for Maxine Waters and commits itself to non-violent protests against Trump Administration officials and anyone else aiding in the illegal and immoral forcible separation of children from their parents.
